Ease-Fit Plus Armband for iPod nano 7th gen

Overview

Overview
Whether you're going for a run or hitting the gym, you'll appreciate the comfortable, low-profile design of the Ease-Fit Plus Armband for the seventh-generation iPod nano. Made of lightweight, breathable neoprene and Lycra, this armband keeps your music player at hand yet out of the way, so it won't interfere with your workout. It also includes a pouch for convenient key or cash storage.

Holds Your iPod nano While You Work Out
Don't let your iPod nano get in the way of your workout. Featuring a slim, form-fitting design, the sporty Ease-Fit Plus Armband stays comfortably in place while you exercise. The armband also features a built-in screen protector that still allows access to your screen and home button controls.

Flexible Fabric and Long Strap for a Good Fit
For a custom fit, the Ease-Fit Plus Armband has a long strap with an adjustable closure. Its neoprene-and-Lycra blend is lightweight and flexible, so it won't weigh you down. The armband fits snugly against your arm, offering easy access to your iPod nano's touchscreen without adding bulk. For convenience, the armband is hand washable.
